Part I. Port fees for boats and ships

1. PORT FEES FOR FERRY BOATS AND LINERS

For the operators, servicing public regular ferrylines between the mainland and West-Estonian islands and who are identified by the Estonian Ministry of Economic Affairs and Communications as a result of public procurement, prices for port services are fixed by Saarte Liinid Ltd on the basis of price offers made for the abovementioned public procurement and they may differ from current Price List. For acquiring the price offer required to participate in the public procurements for ferry lines, a carrier shall apply to Saarte Liinid Ltd and provide all necessary details for servicing the boat to be used for a regular line.

Saarte Liinid Ltd shall conclude a contract based on the issued price offer on providing port services with the carrier becoming the winning tenderer at public procurement.

The contract on providing port services shall include:

- Basic port fee (includes fees for dockage and quay for the boats listed in the contract) or separate fees for dockage and for quay for the boats listed in the contract
- Passenger fee or/and loading/unloading fee
- Waste fee
- Conditions for the delivery of bilge water, night soil and refuse

If not stipulated otherwise in the contract, carriers shall pay for power supply, water and other port services according to the actual consumption during a period and the price list in force.
